City of Buffalo Comprehensive Plan
November 1, 2006

After you've had a chance to see the displays, please take a minute to give us your feedback on what you've seen and your thoughts about the City of Buffalo and its development in the years to come.

1. Are there other things that you like or don't like about Buffalo that haven't been mentioned, and what are they?

2. What do you think will be the biggest issues facing Buffalo in the next five years?

3. If Buffalo is to expand its city limits, which direction should it be toward?

4. Other comments?

Please complete and turn this in at the Open House or by mail to:
