

PROCEDURE FOR REZONING

Disclaimer: If a Rezoning Applicant is able to comply with all the requirements outlined in this “PROCEDURE FOR REZONING,” the Applicant can expect the rezoning process to take approximately 2-3 months. If there are any complications at any stage of the Rezoning process, the Applicant can expect the process to be significantly longer. An Ordinance does not become effective until the Ordinance is published in a local newspaper.

1. Applicant meets with a City Planning Department Representative to discuss the Procedure for Rezoning.
2. Applicant requests a list of legal descriptions for property owners within 300 feet of the proposed rezoning property from the City Planning Department Representative and requests a list of property owner names and addresses from the County Assessor’s Office.
3. Applicant schedules a neighborhood meeting in order to share the proposal for rezoning with affected property owners, specifically inviting those property owners within the 300 foot radius. The applicant submits the “NEIGHBORHOOD MEETING SIGN-IN LIST OF ATTENDEES” and a brief description of the neighborhood meeting to the City Planning Office.
4. Applicant submits an “APPLICATION FOR REZONING”, “REZONING SIGN LOCATION PLOT PLAN” and non-refundable “REZONING FEE” with the City Planning Office. A Planning Department Representative will alert the Applicant of the next regularly scheduled Planning Commission meeting that complies with the legal requirements for a Public Hearing for the rezoning proposal.

The Public Notice procedure requires publication at least seven (7) days before the initial Planning Commission meeting, and at least fourteen (14) days before the City Council meeting. The Applicant shall be able to advertise the two (2) separate Public Hearings in the same Public Notice advertisement. The Applicant will pay all costs associated with the publication.

Upon approval of the “REZONING SIGN LOCATION PLOT PLAN” the applicant is allowed to place “REZONING SIGN/S” on said property.

5. The Applicant shall prepare an “AFFIDAVIT OF PROPERTY OWNERS NOTIFIED” showing a list of all property owners within the 300 foot radius who were notified of the rezoning request. The “APPLICATION FOR REZONING” and the “AFFIDAVIT OF PROPERTY OWNERS NOTIFIED” shall be presented to the Planning Department, at least fourteen (14) days prior to the Planning Commission meeting. Applicants who are unable to comply with this deadline will not be heard at that month’s Planning Commission meeting. If an “APPLICATION FOR REZONING”

does comply with these Rezoning procedures, it will be heard at the Planning Commission meeting and the applicant, or the applicant's spokesperson should be present.

6. The Applicant requesting the rezoning must notify by regular mail at least seven (7) days prior to the Planning Commission meeting the owners of all private property immediately adjacent to and within a radius of 300 feet of the boundaries of the lot (s) proposed to be rezoned not including the width measurement of any intervening streets or alleys.

This will be the same list furnished by the City Planning Department Representative at the #2 step of the Rezoning Procedure. The ownership and address information will be the same that is attained from the County Assessor's Office in step #2.

The "PUBLIC NOTICE OF REQUEST FOR REZONING" letter will follow the City's format and will be approved by the Planning Department Representative prior to being sent to property owners within the 300 foot radius of the rezoning.

The Applicant may include any approved information related to the Rezoning in the "PUBLIC NOTICE OF REQUEST FOR REZONING" notification to property owners.

The seven (7) day notification period means that the notices are to be mailed so that the property owners being notified receive them at least seven (7) days prior to the Planning Commission meeting. Included in the mailing will be a feedback form, and a pre-addressed/pre-stamped envelope for delivery of said feedback form addressed to:

City Hall - Planning Department – "Applicant's Name" Rezone
46 N Main St.
Buffalo, WY 82834

Upon delivery to City Hall, the feedback forms will be placed in a folder specific to the Rezoning request.

7. The applicant should be prepared to answer the following questions:
- Whether the proposal is in accordance with the City's Comprehensive Plan?
 - Whether the proposal will promote general health, safety and welfare of the community?
 - Whether the proposal has examined the effect on the natural environment?
 - Whether the proposal has considered the impact to transportation, water, sewerage, sanitation, schools, parks, fire, police, and other public services?

8. The recommendation of the Planning Commission will be forwarded along with the application and all supporting documents to the City Council for a public hearing. **A vote**

to recommend or deny the Rezoning proposal by the Planning Commission is not binding to the final decision made by the City Council.

9. Any drawings, plans, or other information which would help explain the Applicant's rezoning request will be of value to adjacent property owners, the Planning Commission and the City Council.

10. Any questions regarding these procedures should be brought to the attention of the Planning Office.
